## FEMA STATE OPERATIONS SURVEY FOR COMPUTER ACCESS

**Please click on the CORRECTED link below to report damages caused by the recent freezing weather. This will help residents and businesses within Llano County receive the help they need.**

The February 2021 freeze was truly an historic event for Llano County. We declared a local disaster on February 15, 2021 but individual damage reporting is needed.

The Texas Division of Emergency Management (TDEM) has created a "Self-Reporting Survey" where residents can report damage directly into a form which assists Llano county more accurately track damage that will be very useful for our county's Disaster Summary Outline (DSO) and increasing the level of Federal Support for our community.

Due to the widespread nature of this incident residential damage could be just about anywhere within Llano county. PLEASE SHARE THIS LINK with other Llano county residents in order to more accurately report damage to TDEM and FEMA.

---

**Haga clic en el enlace CORREGIDO a continuación para informar los daños causados por el reciente clima helado. Esto ayudará a los residentes y negocios dentro del condado de Llano a recibir la ayuda que necesitan.**

La helada de febrero de 2021 fue realmente un evento histórico para el condado de Llano. Declaramos un desastre local el 15 de febrero de 2021, pero se necesitan informes de daños individuales.

La División de Manejo de Emergencias de Texas (TDEM) ha creado una "Encuesta de Autoinforme" donde los residentes pueden reportar daños directamente en un formulario que ayuda al condado de Llano a rastrear con mayor precisión los daños que serán muy útiles para el Resumen de Desastres (DSO) de nuestro condado y aumentar el nivel de apoyo federal para nuestra comunidad.

Debido a la naturaleza generalizada de este incidente, los daños residenciales podrían ocurrir en cualquier lugar del condado de Llano. POR FAVOR COMPARTE ESTE ENLACE con otros residentes del condado de Llano para informar con mayor precisión los daños a TDEM y FEMA.
